

Committees needing 3-5 members:

Electronic Meeting Committee – GSG is hoping to make their annual meeting electronic so more members can attend. This committee has a specific task and will cease to exist upon completion of that task. The committee needs members who either have experience with setting up electronic meetings and the necessary software or are willing to find and evaluate such software. The committee will work with and report its suggestions to the GSG Board. Please submit your name and contact information to President@GenealogicalSpeakersGuild.org.

Publicity Committee – This committee will be a standing committee with 2-year terms for its members. Half of the initial members will only serve 1-year terms to allow for continuity of the committee. We are looking for committee members with some experience in publicity, but that is not a requirement. The committee will take over maintenance of the GSG MailChimp lists, sending emails via MailChimp, and creating ideas for publicizing GSG. Please submit your name and contact information to President@GenealogicalSpeakersGuild.org.
